Thriving Food Manufacturing and Distribution Business for Sale Brisbane

Are you looking for a fully managed, highly reputable, and established food manufacturing business? A well-respected name in the industry, is now available for sale. With over 38 years of successful operations, this Brisbane-based, HACCP- approved facility offers an incredible opportunity for investors or entrepreneurs looking to step into or expand within the food production sector. A national distributor now being engaged to distribute the highly sought after long shelf life products.

The business operates from a first-class, A-grade production facility, fully equipped for food manufacturing and distribution. A skilled management team is in place, allowing the owner to step in without day-to-day operational involvement.

Specialising in both own-brand food manufacturing and contract manufacturing, with increasing demand in both sectors. Located in Brisbane with easy access to transport and distribution networks. Steady financial performance with opportunities for expansion into new markets. Enormous potential to expand interstate or develop export markets, with successful early-stage partnerships in other states and internationally.

The Australian food manufacturing industry is valued at over \$155 billion with growing demand for local, high-quality, and sustainable food production. This opportunity is ideal for existing food manufacturers, entrepreneurs, investors and buyers looking for a full turnkey HACCP certified food manufacturing facility. The business is growing year on year and this is expected for the 2025 year.
