

Iconic Bookshop Business for Sale South Melbourne

An excellent bookselling business 41 years in the best location in south melbourne market

I sell distinctive second hand and antiquarian books in all genre from popular to highly collectable publications with 5500+ everchanging titles in stock.

Myself as proprietor and the market management are very keen to find the right person or persons or family perhaps to carry this respected business and name well into the future.

It is a very genuine business opportunity for the right person once approval is obtained prior to the end of this fiscal year.

Business Resources

this has been a manually operated business for 47 years with hand written accounts and only an eftpos machine to represent modernity.

There is no landline nowadays with a mobile phone the mode of access.

There is no cash register or like alternative.
