This long-established Kwik Kopy franchise is based on Sydney's Lower North Shore.

It offers a full range of print and graphic design products, including flyers, brochures, business cards, posters, labels, pull-up banners, booklets, training manuals, packaging, display signage, promotional merchandise and more.

By joining this award-winning franchise group, you will enjoy the following benefits:

- * Full training across all areas of the business
- * No industry experience is needed
- * Proven systems and procedures throughout the business
- * A solid brand that is well recognised throughout Australia
- * A protected territory
- * Marketing support

This business comes with a large, diverse list of repeat customers. The list is broadly spread with the largest customer accounting for just 7 percent of sales. Customers are a mix of corporations, small to medium sized businesses, not for profit organisations and government departments.

The franchise territory covers a major commercial district that includes a dense concentration of corporate, service, retail and other businesses. As such, it offers a rich source of existing and potential customers.

The centre operates from a commercial unit that is fully set up for in-house digital printing. This enables the business to produce a wide variety of work on-site. In turn, this allows the business to provide quick work turnaround times, resulting in satisfied customers.

The franchise trades Monday to Friday only, leaving your weekends free. As a result, you will be able to enjoy a healthy work lifestyle balance.

This is a solidly profitable business that achieved a net return of \$426,963 to the owner for the 2024 financial year. This represents a strong return on your investment.
