This business has a long history of engaging with its clients who enjoy scuba diving.

The business supplies some of the best known brands to the public .

This is one stop shop ,grab your gear fill the tanks ,book a scuba holiday and off you go .

The business is being sold as Goodwill and Assets and stock at value .

This really is a Lifestyle business where you can love what you do .

Regular clients attend the shop to update/service equipment as needed and have joined a private scuba club .

Scuba training can be organised from this business .

Terrific Scuba holidays abroad can be locked in advance for some of the best dive locations on the planet .
