Turnkey Opportunity in WA

Exceptional opportunity to acquire a highly reputable NDIS service provider specialising in disability support for young children, adolescents, and adults. This market-leading organisation offers a comprehensive range of services under the NDIS, Supported Independent Living (SIL), Community Participation, Support Coordination, and related services. The Company operates under a skilled management experienced team, offering a seamless turnkey transition for an established NDIS operator seeking immediate entry into the growing Western Australian market.

Highlights:

- * Fully managed business with an experienced leadership team and strong operational systems in place.
- * Strong revenue performance with consistent financial results, underpinned by a stable participant base and repeat referrals.
- * Strategic footprint with two office locations, seven STA and SIL accommodation sites, and a dedicated vehicle fleet supporting service delivery across multiple regions.
- * Robust organisational structure, offering service continuity and minimal day-to-day owner involvement.
- * Comprehensive range of NDIS services with an excellent reputation in the community and strong relationships with referral networks.
- * Tangible asset base, including vehicles, office infrastructure, and equipment, valued at over \$1,500,000.

With a strong asset base, high brand equity, and consistent revenue streams, this business presents an exceptional growth platform for national providers looking to break into WA or expand their service footprint. Offered via an Expression of Interest campaign with all offers considered, this is a rare chance to acquire a market leader in the sector.
