

## For Sale

Location: **Brisbane**

Asking: **Expressions of Interest Closing 30th June**

Type: **Transport/Automotive**

### National Business

A rare opportunity exists to acquire one of Australia's largest bulk haulage and logistics businesses, specialising in the movement of agricultural products such as grain, fertiliser, and cattle feed across the country.

This business is a trusted partner to some of Australia's biggest farming groups, with longstanding agreements and a reputation built on reliability and service excellence.

Operating from a fully owned, strategically located depot in Queensland, the company manages a substantial fleet of modern prime movers and trailers. The depot provides comprehensive facilities for truck servicing, fuelling, and administration, ensuring seamless 24/7 operations and optimal fleet performance.

With forecast sales exceeding \$47 million in 2025 and a high EBITDA, this business demonstrates robust profitability and strong cash flow. The experienced workforce includes skilled drivers, administrative staff, and in-house mechanics, many of whom have been with the company for over a decade, reflecting a loyal and stable team environment.

Key investment highlights include:

A modern, well-maintained fleet capable of handling large-scale logistics demands

Strong, recurring revenue streams from a loyal customer base and long-term contracts

Freehold depot providing operational security and future expansion potential

Consistent profitability and reliable cash flow

Outstanding reputation and industry recognition for service and reliability

The current owner is ready to retire and is committed to supporting a smooth transition for the new owner.

This is an exceptional chance for an investor or industry player to acquire a market-leading logistics business with a proven track record and significant growth potential in the agricultural supply chain sector.

Expressions of Interest close 30 June 2025.
