## For Sale

Location: **NSW**  
Asking: **\$195,000 + SAV**  
Type: **Services-Other**

### Northern Rivers NSW

Are you looking for an exceptional trade services business opportunity in the heart of the Northern Rivers ? This thriving structural landscaping business with a stellar reputation for high-quality builds, an established customer base, comprehensive plant and equipment, and a promising forward sales pipeline is now for sale.

#### Quality That Sets it Apart

This structural landscaping business is known for creating high-quality outdoor environments that combine aesthetics and functionality. Over the years, the business has consistently delivered outstanding projects, including stunning decks, patios, retaining walls, and complete outdoor transformations. With a dedication to workmanship and attention to detail, they've earned the trust of both residential and commercial clients who demand only the best for their properties.

#### Loyal and Established Customer Base

What makes this business even more attractive is its loyal customer base. From homeowners looking to enhance their outdoor spaces to businesses needing functional and beautiful landscapes, the owners have cultivated strong relationships and a portfolio of repeat clients. This customer base reflects years of consistent performance and satisfaction, ensuring a steady stream of referrals and positive word-of-mouth advertising.

#### Included Plant and Equipment

The sale of this business includes a fully equipped arsenal of plant and equipment essential for structural landscaping. The inventory features high-quality tools, machinery, and vehicles that are well maintained and ready for operation. From compactor and post hole digger, to concreting tools, you'll step into a business equipped for success from day one. This eliminates the need for additional investment, offering a seamless transition for the new owner.

#### Forward Sales Pipeline

One of the most enticing aspects of this sale is the forward sales pipeline. With projects already booked and ongoing consultations underway, you will benefit from immediate income opportunities. The robust pipeline demonstrates the high demand for services in the surrounding areaa testament to the reputation and market presence. For anyone looking to enter a thriving industry this business is ready to go.

#### Why Northern Rivers ?

The regions booming property market and vibrant lifestyle make it an ideal location for a structural landscaping business. Demand for bespoke landscaping solutions continues to grow as more people invest in this beautiful region. With its mix of high-end residential and commercial properties, unlimited potential for creative landscaping projects that add value and enhance living experiences.
