Near the Esplanade Hervey Bay. Specialist retail. Fraser Coast

- * The location of the store is perfect with great signage to draw attention to passing foot & vehicle traffic.
- * Owner only works 25 hours per week so huge potential to take advantage of extra hours. Huge growth potential as there is No online presence.
- * The product line lends itself to huge online marketing and online store, due to the customer base is through out Australia and overseas.
- * The presentation of the shop is just lovely with exceptional fixtures and fittings to display the products beautifully.
- * Old fashioned service is offered to all clients, and the warm welcoming feel of the shop has people coming back time after time.
- * This business is easily managed by 1 owner and 1 casual staff member if you want to open more hours.
- * The owner wants to retire but is willing to work casually if needed after the 2 weeks free training. This would ensure a smooth transition while taking advantage of the knowledge he has.
- * The Fraser Coast region has huge growth and has to be seen to be believed. Take advantage of this through this lovely retail business.
