Amazing Opportunity

This is an amazing opportunity to acquire an existing cleaning business Including dedicated cleaning staff and vehicles, and lawn maintenance equipment.

There are 4 vehicles including a ute and trailer, and plenty of repeat business with forward bookings to keep your teams busy into the future.

This business has been providing high levels of service to Real Estate agents and residential and commercial property owners for many years.

The revenues are secured by ongoing scheduled runs already booked in with staffing allocated.

Staff conditions and wages are above award and still allow for very strong annual return.

The current owners manage the business and also have a hand in some (mostly garden maintenance) work.

The owners are setting off on a well-earned trip and semi-retirement and decided to sell this growing cleaning empire to focus on spending time with family.

Enquire now and in no time you could be cleaning up!
