Established Business CSBB5198

- * Established Residential Renovations & Extensions Business
- * 35+ years of continuous trading
- * 10+ active renovation and extension jobs annually
- * Full-time staff and reliable subcontractor network
- * Strong marketing funnel and brand presence
- * Documented systems and operational procedures
- * Secure tenancy with low rent
- * Growth potential across services and territories

This well-known residential renovations and extensions business has been servicing the Western Sydney region for over 35 years. With a strong reputation and consistent job flow, it offers a solid opportunity for a qualified builder or strategic buyer to step into a stable and systemised operation.

The long handover period is offered by retiring owner. The 2024 and YTD financials are available

This is a rare opportunity to acquire a long-established business with strong foundations and immediate income potential.
