Arboricultural Consultancy Business for Sale Southeast QLD

For Sale

Location: QLD

Asking: **\$1,200,000**

Type: Services-Professional

Arboricultural Consultancy Company Southeast QLD 5781

No experience required.

The owner is prepared to stay on for up to 12 months to provide training and a seamless transition.

Unlock a unique opportunity to acquire a well-established arboricultural consultancy specialising in municipal tree management, government projects, and high-end private sector services. This consultancy boasts over 18 years of growth and a leading reputation within the industry.

The increasing compliance requirement for tree retention and for Arboricultural input into development applications makes this acquisition an ideal addition for environmental and engineering consultancies or tree contractors looking to expand their service offerings.

Key Features:

Profit to owner

2023 \$407,000+

2024 \$439,000+

2025 \$267,000+ for 6 months

Established in a thriving market with a proven track record

Strong relationships with local governments and private clients

Expertise in a diverse range of tree management services

Strong digital presence

A dedicated team of experienced professionals committed to tailoring services to specific project needs, ensuring timely delivery and consistent communication throughout.

A solid portfolio of completed projects demonstrating quality and reliability

This is your chance to own a business committed to providing precise and insightful guidance for effective tree management. Capitalise on the current momentum and enhance your business by integrating this reputable consultancy into your operations.

Dont miss out on this exceptional opportunity to grow your business!
