With a significant client base in the corporate, healthcare, construction, and domestic sectors. - 5816

This is a very exciting cleaning business that has established a significant client base in the corporate, healthcare, construction, and domestic sectors. Established in 2014 the business has, since 2019 focused on high value work creating a niche in areas such as healthcare and working with building and construction cleaning.

This cleaning business has worked on leveraging corporate contracts to expand geographically and upselling a fuller range of services into higher value work.

Business highlights:

- Sustainable and easily managed cleaning business.
- Delivering excellent net returns to a working owner
- The owner focusses on administration and client management.
- Has strong position in the healthcare and aged care sectors
- High value building client segment
- Supply agreements in place with major corporate agencies
- Strong residual income with diverse income streams
- Duplicatable
- Consistently delivering strong profitability
- Big opportunity for expanding domestic cleaning
- Big opportunity to leverage full range of services across customer base
- No technical skills required to manage the business
- Big opportunity for growth
- Home based office no lease!

Structurally the hard work has been done, all you need is an appetite for growth and expansion. Dont miss out on this excellent opportunity!
