### Thriving Business - 5703

Are you looking to own a well-established and highly profitable auto shop business in the vibrant community of Gladstone, QLD? This is an exceptional opportunity to acquire a business that has been a cornerstone of the local auto repair industry for over 20 years. With a proven track record of success and a strong reputation built on quality service and reliability, this business is primed for continued success and expansion.

#### Business Overview:

- Location: The business operates from a prime physical location in Gladstone, QLD, ensuring high visibility and easy access for customers.
- Years in Operation: Over two decades of uninterrupted service.
- Ownership and Staff: The business is currently operated by a dedicated working owner with the support of two skilled staff members, ensuring smooth and efficient operations.
- Services Offered: The auto shop offers a wide range of services, including auto repairs, towing, parts and accessories, and caravan and trailer repairs. This diverse array of services caters to the varied needs of the local community, driving consistent traffic and revenue.
- Financial Health: Full financials are available, demonstrating the business's profitability and financial stability. Potential buyers will have the opportunity to review comprehensive financial records to gain a clear understanding of the business's performance.

#### Why This Business is Unique and Profitable:

- Long-standing Reputation: \*\* With over 20 years at the same location, the business has built a loyal customer base and a strong brand presence in Gladstone. Customers trust the business for its reliability, quality workmanship, and excellent customer service.
- Diverse Revenue Streams: The business's wide range of services from auto repairs to towing, parts, and accessories, as well as caravan and trailer repairs provides multiple streams of income. This diversity reduces dependency on any single revenue source and ensures financial stability.
- Growth Potential: Currently, the business does not engage in online sales. This presents an incredible opportunity for expansion. By establishing an online presence and integrating e-commerce, a new owner could tap into a broader market and significantly increase revenue.
