Complete Turnkey Operation

This highly versatile vacuum forming plant is being offered following forced closure of the Owner's business due to ill-health.

Used to produce a range of popular formed plastic products this complete operational plant will find applications in the building of components for RV's, Caravans, Relocatable Homes, Transport Accessories, Shower Cubicles, etc. In fact, anywhere strong lightweight, three dimensional formed shapes are required.

Sale Includes:

- Large sheet heating oven (6m x 3m internal) for uniformly heating large sheets
- Smaller oven (2m x 1m internal) for rapid heating and turnaround on smaller items
- Sheet handling equipment for loading and unloading hot sheets
- 2 large vacuum storage tanks
- Vacuum pump, distribution piping, valves and accessories
- Extensive assortment of molds for a wide range of popular products
- Quantity of materials of various types
- Assistance with commissioning at Buyer's premises

At a fraction of replacement cost this plant will suit businesses looking for a turnkey production solution for vacuum forming products across a wide range of industries.
