

Car Wash & Detailing Business for Sale Brisbane

For Sale

Location: **Brisbane**
Asking: **\$249,000**
Type: **Transport/Automotive**

Busy Bayside Business - 5815

A long lease in the quiet section of a busy covered shopping centre car park offers the new owner a great opportunity to start with instant income.

With consistent profitability and a loyal customer base, this car detailing and car wash business is ready for you to take over and continue the success.

ABOUT THE BUSINESS

Currently operated by a sole proprietor and a casual assistant, this thriving business presents significant growth opportunities. Currently there are deals with 3 local dealerships and a steady flow of retail shopping and other local customers. Other dealerships are available nearby and as such the business is easily scalable, with the potential to hire additional staff and expand operations.

With a solid foundation already in place, and the current operator available to stay on and train the incoming purchaser, passing on all the tricks of the trade, the transition to new ownership promises to be smooth and rewarding. Specialising in paint restoration, treatments and extreme detailing, situated in a prime location with excellent signage, this business is conveniently and securely positioned in a major Bayside shopping centre, ensuring consistent customer flow.

A great opportunity for an ambitious buyer to get a jump start in a self-employed position with immediate cash profits.

The owner is open to sale on a 14-day trial day to verify turnover (details will be provided once the Confidentiality Deed is received).

Currently with a long lease to 2030, extra lease options are available on application.

Whether you're an experienced professional or a newcomer to the car care industry, this is your chance to step into a profitable, highly regarded business with a bright future.

KEY FEATURES

Profitable and well-established business ready for growth.

Sole owner-operated, easily scalable to bring on staff.
