

For Sale

Location: **Brisbane**
Asking: **\$299,000**
Type: **Services-Other**

Profitable & Scalable

Offered for acquisition is a well-established mobile cleaning business servicing a broad base of commercial and domestic clients across South East Queensland. Operating since 2017, the business has built a strong reputation for reliability, quality service, and client satisfaction.

This low-overhead, mobile operation provides flexible service delivery across multiple locations, without the need for a fixed premises. The business generates consistent revenue and profitability, backed by long-term repeat customers and a solid market presence.

The current owner spends only a few hours per week overseeing the business, with day-to-day operations handled by a trained and dependable team. This makes the business ideal for either hands-on operators or investors seeking a passive income opportunity with growth potential.

Key Features

Proven Performance: Six years of operation with stable, accountant-prepared financials and consistent cash flow.

Mobile & Low Overhead Model: No fixed premises required, offering operational flexibility and reduced ongoing costs.

Reliable Team: Experienced staff in place managing daily operations with minimal owner involvement.

Diverse Client Base: Strong mix of commercial contracts and repeat domestic customers ensure recurring revenue.

Scalable Growth Potential: Opportunities exist to grow the business through targeted marketing, geographic expansion, or enhanced digital engagement.

Digital Presence: Sale includes a well-established Facebook page used effectively for marketing and customer acquisition.

This is a turnkey opportunity to acquire a profitable, easy-to-manage business with strong foundations and clear avenues for growth in the ever-reliable cleaning sector.
