Health & Wellness Retail Business | Multiple Sites Brisbane

Since 2012, this business has been a leader in Brisbane's booming health and wellness retail sector, offering a diverse range of quality products including vitamins, supplements, skincare, sports nutrition, and more.

Founded by experienced industry professionals with a shared vision to create a bold, modern, and customer focused approach to health and wellness industry, this business has become a trusted name in the market.

The current owners do not work within the stores on a day to day basis and is an ideal acquisition for an established retail group or an investor looking for a solid business.

Key Highlights:

- Focused Retail Model: The brand offers a personalised, customer focus shopping experience with a strong emphasis on service and quality products.
- Extensive Range: Stocking a wide selection of health products, from vitamins and supplements to skincare and sports nutrition products and food items.
- Store Locations: All stores are located in high traffic shopping centres, maximising visibility and accessibility to a broad customer base.
- Minimal Owners Involvement: Each store is run by a senior manager with minimal day to day involvement by the owners.
- Fully Operational and Scalable: Supported by experienced staff, established processes, and strong supplier relationships.
- Growth Potential: Opportunities exist to scale the online platform and to expand into new locations

Included in the sale is the company's registered trademark providing the new owner with legal protection and exclusive rights to the company name.

Business like this seldom comes to the market and is an ideal acquisition for an established retail group seeking to enhance their portfolio, investors looking for a solid investment, or owner-operators aiming to run a successful and profitable retail brand. in the fast-growing wellness market.
