

For Sale

Location: **Sydney**
Asking: **\$1.3 million including stock**
Type: **Wholesale/Distribution**

Items sold include coffee cups, takeaway containers, recyclable containers, paper bags, napkins, cutlery and much more.

This well-established wholesale distribution business sells a wide range of packaging materials and cleaning chemicals used in the hospitality industry. Items sold include coffee cups, takeaway containers, recyclable containers, paper bags, napkins, cutlery and much more.

Having traded for many years, this organisation has an extensive list of repeat customers. These are broadly spread, providing good consistency in sales and profitability.

There are well-developed systems in place, and a team of experienced employees. Also, the owner is happy to train you. As a result, this business is ready for you to step into and operate.

Cash flow is very strong. Whilst some customers have accounts, many pay for their goods prior to or at the time of delivery. The net effect is that the business has a very low working capital requirement, helping to provide a strong return on your overall investment.

This is a soundly profitable business that achieved a net profit (EBITDA) of \$333,000 for the 2024 financial year. As a salary package of \$122,000 has been factored in for the Managing Director, the total return to an owner operator was \$455,000 for the same period.

This quality business is being offered for sale at \$1.3 million including stock. Packaging businesses available for sale are as rare as hens' teeth, and extremely popular. Act quickly to avoid missing out!

The location of this business is not exact, it is indicative only.
