Established Business. Fleet-Focused

This long-standing panel beating and spray-painting business presents an exceptional opportunity for a husband-and-wife team or an established operator looking to expand. Located in a high-growth region of North Queensland, the business enjoys steady work from several national and international rental fleet companies, ensuring a consistent workflow without reliance on insurance jobs.

With nearly 40 years of operation, the business has built a strong reputation and operates from a highly visible, well-positioned site with drive-through access and two functional workshop sheds. A purpose-built large spray booth allows for servicing of motorhomes, boats, and buses giving it an edge over standard panel shops.

Key Highlights:

- * Consistent revenue stream from commercial fleet clients
- * Excellent lifestyle location in beautiful North Queensland
- * Approx. \$120,000 worth of workshop assets included
- * Strong staff in place, including qualified tradespeople
- * Opportunity to step into a hands-on role or expand existing operations

This is a genuine turnkey operation with room to grow perfect for an experienced trade professional, couple, or business seeking a strategic North Queensland presence.
