### Specialist NDIS Behaviour Support Provider Operating on a National Scale

An outstanding opportunity to acquire a purpose led NDIS provider delivering specialist Behaviour Support and Psychological Services across multiple states. Supported by strong clinical governance, a decentralised leadership model, and a purpose-built CRM platform, the business is well positioned for scalable, impact-driven growth.

#### Highlights:

- \* Structured for scale, with active service delivery across New South Wales, Victoria, Queensland, Western Australia and Tasmania
- \* More than 50 staff including State Directors, Clinical Leads, and General Manager, ensuring day-to-day delivery runs independent of ownership
- \* Custom-designed CRM system supports case management, clinical reporting, NDIS compliance, billing, and practitioner performance monitoring
- \* Fully furnished head office, supporting onboarding, collaboration, and executive functions
- \* Cloud-based infrastructure and decentralised model enabling remote ownership and oversight from anywhere in Australia
- \* Trusted brand in the NDIS ecosystem, known for complex behaviour support and strong practitioner retention
- \* Longstanding referral networks and growing demand from schools, support coordinators, and allied health professionals
- \* Embedded clinical frameworks and systems designed for quality, transparency, and scalability

This is a specialist-led platform engineered for clinical depth, service continuity, and long-term scalability. The incoming owner assumes control of a national operation with proven structures, skilled teams, and established systems operating cohesively.

Offered for sale at \$4,899,000 with a 25% ROI, this opportunity suits health investors, strategic acquirers, or professionals seeking a high-impact operation with strong infrastructure and room to grow.
