### Expressions of Interest

LINK Business is pleased to invite Expressions of Interest for the acquisition of a well-established mining services and manufacturing business located in a key mining region of Central Queensland.

This opportunity represents a strategic acquisition for buyers seeking to expand or establish a presence in the Queensland mining and heavy machinery industry market.

#### Key Highlights:

- A large list of plant and equipment is included in the sale
- Longstanding contracts with several major companies
- Experienced team of skilled employees and management
- Strong industry reputation across both the mining sectors

The business services a recurring client base of Tier 1 mining operators and is well positioned for further growth, driven by continued demand for outsourced maintenance, manufacturing, and on-site services.
