This is your chance to own a well established mechanical repairs business, in-house tyre service and roadside service with a solid reputation for quality workmanship and reliable customer service.

This business offers a comprehensive range of services such as mechanical work to all cars, trucks, tractors and mowers.

Also offering a full range of batteries for all vehicles, making it ideal for a hands on - fully experienced mechanic with management skills.

Would suit a partnership - husband and wife team, or someone looking to expand existing their portfolio.

Located in Warrnambool with good population and surrounding districts makes this a well maintained workshop.

The shop is in a prime location and great exposure that has easy customer access.

The Vendors have achieved a good local customer base with honest prices through years of reliable service.

With a good operation and a clean workshop environment, its reflection is quality and professionalism.

This is the time for someone to take over and make further excellent growth with a consistent annual performance improvement.

Strong points for investment is the fact it is a well established Tyre service and Mechanical workshop and offers a strong foundation and an exciting growth opportunity.

There is a consistently high demand in this industry, where reliable vehicle maintenance remains essential and ongoing.

Working hours are Monday to Friday 8.30AM to 5PM and no weekends.

New purchasers can open Saturday mornings if they want to further increase the takings P/A.
