### South Brisbane Commercial Cleaning Business | \$202k Profit

Step into a well-established, home-based commercial cleaning operation servicing South Brisbane and surrounding suburbs. With 8 years of solid trading history, this business offers consistent income, loyal clients, and room to grow.

- \$7,700 in weekly sales from a long-standing client base
- \$202,000 adjusted net profit, room to easily improve this by working as a cleaner yourself
- Regular commercial clients including schools and offices
- \$75,000 in stock and equipment included
- Simple structure: 1 working owner and 7 casual staff
- Home-based setup with minimal overheads
- Primed for growth, expand service area, build an online presence, or add new service lines

This business is ideal for an owner-operator looking to increase personal income or for an existing operator seeking a bolt-on acquisition with predictable revenue and immediate returns.

The current owners are retiring, creating an excellent opportunity for the next operator to capitalise on this strong foundation.
