Retail/Wholesale Strong Cashflow Established 30 years 5840RE

An exceptional opportunity exists to acquire a long-established and highly profitable wholesale business with a stronghold in its niche. Operating successfully for over three decades, the business services a broad spectrum of clients across commercial, institutional, and retail sectors.

Key Highlights:

FY24 Revenue: Over \$5.5 million with consistent year-on-year results

Adjusted Net Profit: Over \$600K (FY24)

Multiple income streams including in-store retail, online sales, and value-added services

100% weekday operation, potential weekend trade

Strong online presence and advanced tech stack (e-commerce, stock control, AI-assisted ordering)

Experienced and long-serving staff in place, supported by professional management

Secured long-term lease with modern facilities and high visibility in a high-traffic precinct

Diverse and loyal customer base including government agencies, foodservice providers, wholesalers, and private consumers

This business is ideal for an investor or operator seeking a reliable, well-systematised business with immediate cash flow, scope for expansion, and minimal owner involvement.
