Practice for Sale South-West Sydney

Are you a local accountant or small firm looking to establish or expand your presence in the South-West Sydney area?

This well-established practice, with over 15 years of consistent operation, offers a unique opportunity for growth. The firm has cultivated a loyal local client base and offers flexibility through remote servicing, with occasional in-person meetings as needed. The practice currently operates from a home office but can easily be relocated to nearby suburbs such as Padstow or Hurstville.

The practice uses Xero and services a mix of company, trust, partnership, and individual clients. It is supported by a long-standing offshore staff member with over 10 years of experience, assisting with workflow management and client servicing.

With the vendor transitioning into retirement, this is an excellent opportunity for a capable professional to step in and continue the success of the business. The vendor is open to a short-term handover if the right buyer is found, ensuring a smooth transition.

The ideal buyer will:

- * Have operations in the local area
- * Share a client-first approach to service
- * Have the necessary funding in place (vendor finance will not be considered)
- * Have the capacity, either personally or via internal resources, to take on the vendor's role
