Takeaway & Casual Dining | Miso Hungry | Franchise Opportunity

Miso Hungry isn't just serving sushi - it's leading a flavour-forward movement that's reshaping the way Australians experience Japanese street food. With bold branding, vibrant menu offerings, and a cheeky, modern twist on traditional flavours, Miso Hungry delivers a fast-casual dining experience that stands out in a crowded market.

Since opening its first store in Brisbane CBD in 2013, Miso Hungry has continued to grow with a loyal fanbase, an expanding menu, and a franchise system designed to empower driven entrepreneurs. Our offering centres around fresh sushi, signature rice, noodle and salad bowls - made to order, packed with flavour, and served fast.

Now, we're inviting passionate operators to roll & bowl with us as we expand into new markets.
