Affordable Lifestyle Opportunity

A rare opportunity to own a well established and beautifully presented yoga studio in a desirable affluent Brisbane location. This business is perfect for a passionate yoga practitioner or wellness enthusiast ready to step into ownership.

With a strong community following and experienced instructors in place, the studio is currently operated with minimal owner involvement. However, the business has the revenue capacity to support a FTHands on owner operator with an income exceeding \$100,000 p.a., with significant potential for further growth.

Included in the lease is a versatile additional space with its own private entry, ideal for expansion into recovery services, allied health, or rental income from a complementary practitioner.

A genuine turn-key opportunity with low overheads and a supportive client base. All the hard work has been done-step in and take it to the next level.

Price only \$79,000 WIWO.
