High Profile Corporate Clients

This well established and profitable business is being offered due to Owner's retirement. Located in a thriving light industrial and commercial hub on Brisbane's South East it has earned an enviable reputation as a supplier to high profile corporate Clients in the Quick Service Restaurant sector.

With organised business processes and a well trained team this represents an ideal opportunity for Buyers interested in profitable light manufacturing enterprises.

Key Features:

- * High profile corporate Clients
- * Profitable niche market
- * Well established in the Quick Service Restaurant sector
- * Regular repeat orders
- * Wide geographical coverage
- * Well trained staff
- * Effective systems and procedures
- * Excellent plant and equipment
- * Highly automated processes
- * Well-presented premises in busy light industrial area
- * Long lease options available
- * Genuine reasons for sale
- * Profitable and efficient operation

This business would suit anyone with a background in light manufacturing or fabrication. Knowledge of modern sign-making processes would be an advantage however full training will be provided.

It would also suit a family looking for a new adventure or a corporate Buyer looking to grow their geographical footprint by acquisition.

Enquire now to discover more about this opportunity.
