Supply & Installation

Servicing a large clientele in Brisbane's inner suburbs this long-established supplier and installer is being offered for the first time. With main road high-exposure frontage this beautifully presented showroom has become the go-to for local builders, renovators and home owners. Ideally suited to a family with some experience in interior design or construction.

Key Features:

- Highly respected and long-established branding
- Purpose built showroom and display centre
- High exposure main road location
- Wide range of functional and premium quality products
- Well-trained staff committed to quality
- Exclusive representation in large territory
- First class support from manufacturer with local warehouse
- Fast order turnaround
- Centrally located on Brisbane's Southside
- Low occupancy costs with attractive lease options
- Includes vehicles, office equipment and showroom stock
- Excellent growth opportunity

This operation would ideally suit a handyman or tradesperson with experience in home construction, painting and decorating, or building products supply. Some knowledge of interior design and/or colour selection would also be an advantage.

Enquire now to discover more about this exciting opportunity.
