Century-Old Butcher Shop for Sale | MAS 228

Offered for the first time in 25 years, this exceptional butcher shop has proudly served its local community for an incredible 106 years.

Located in Sydney's northern region, it holds a legacy of trust, quality, and familiarity that spans generations.

Recently upgraded with a modern near-new fitout, the shop presents a clean, bright interior complemented by expansive glass frontage, flooding the space with natural light and fantastic signage.

Positioned in a highly residential area and on an arterial road, it benefits from consistent local foot traffic, passing cars and a loyal customer base.

Currently owner operated, the business has the flexibility to be transitioned to under management by training up staff.

Alongside premium cuts of meat, the shop offers a popular selection of pies, rubs, and specialty products.

This is a rare opportunity to acquire a long-standing, community-loved business with modern appeal and endless potential.
