Established Profitable Social Media Marketing Agency - #5850

\$650,000 WIWO | Remote Business | 3-Month Transition Included

This thriving digital marketing consultancy has been delivering exceptional Meta advertising solutions for over 14 years. Operating as a lean, remote-first business, the agency has built an impressive reputation serving blue-chip clients through four carefully structured service tiers.

This turnkey consultancy offers immediate profitability with a well-established market position. The business comes with proven systems, loyal clientele, and significant growth potential, making it an ideal acquisition for experienced marketing professionals or ambitious entrepreneurs.

Comprehensive 3-month handover period included to ensure seamless ownership transfer.

Contact Peter McPhee for detailed information and confidential discussion.
