For Sale: Exceptional Award-Winning Owner/Operator Beauty Clinic (15km South of Adelaide CBD)

It's not every day that an award-winning beauty clinic with an exceptional reputation and growth potential comes to market.

After 7 years of success, it is primed for new ownership, so this is a great opportunity for you to own this beautiful beauty business with huge potential. The owner of the salon has been in the beauty industry for 2 decades and is now selling as she's looking into something else out of this industry.

Located just 15km south of Adelaide CBD, this fully staffed clinic includes a manager, 1 casual receptionist, 2 fulltime therapists (1 manager), 2 parttime therapists and 1 casual therapist, making it an easy and seamless transition for the new owner.

This fully operational clinic is ready to run itself. With an experienced team in place, the owner currently oversees the salon only a couple of days a week and does not perform treatments. The high-end fit-out is designed for luxury treatments and client comfort, while the prime location with 9 on-site car parks ensures convenience for both clients and staff.

With a loyal client base, industry awards, and growth potential, the clinic is set for expansion into events, education, or retail. The versatile layout is ideal for adding new services or hosting workshops.
