Unique Caravan Hire business. Great ROI

Work approx 25 hours a week and NET \$160,000.

This is a far better business than any MOTEL or CARAVAN PARK !!

25 hours a week allows you to have a life, the freedom of time.

This is a very stress free business to own and operate.

The 9 high quality JAYCO vans will need to be re-located to a yard of your convenience.

It could be Gippsland, Echuca, Albury, Lakes Entrance - or any location en-route to any holiday/tourists destinations.

Very little competition and high demand for this service is growing, year on year.

Clientele avoid storage problems, annual insurance, maintenance and registration cost by hiring a modern Jayco caravan instead.

The clientele love this service.

See the excellent website, caravan hire co

Caravan Hire Co have a fleet of 9 caravans that consists of suitable model Jayco vans, all full height and ensuited.

They are all kept very well maintained and are very clean and tidy vans.

Solar panels and battery system, bike racks and leatherette are extras that have been added to all the vans, to enhance the clients holiday experience.

Another service add-on is a - Delivery / Set that many clients take advantage of.

You deliver the hire caravan to their site, set it all up for them, and then when they are ready to leave you will come and pick it up for you also.

You can also deliver to their home where ever it is, that is suitable to your new location. There is excellent money made from you offering this service.

The Vendors have over 24 years' experience in the caravan and tourism industries.

They have loved experiencing the magnificent and unique sights Australia has to offer, and created a unique business that works extremely well.

With their extensive experience they will be able to assist and train you to be well informed and with great skills to continue this business.
