

For Sale

Location: **Melbourne**
Asking: **\$1,100,000**
Type: **Services-Professional**

Large Speech Pathology Clinic - Melbourne

For sale is this long established and large Speech Pathology clinic in Melbourne. With a strong and diverse team of Speech Pathologists and admin staff, the business returns year on year strong profits to the owners with minimal involvement. The practice will be ideally suited to experienced operators in the Speech Pathology or Allied Health space with an existing business who might well add this opportunity to their operations or expand it into other AHP services.
