Cheap Way to Start Your Own Landscaping Business

Looking for an affordable way to step straight into the landscaping industry? This is your chance to secure a fully equipped structural landscaping business in the highly desirable Northern Rivers region. The vendor's circumstances are forcing a quick sale so act fast.

Turnkey Business All the Hard Work is Done

This established business comes with everything you need to hit the ground running: plant, machinery, vehicles, and a qualified supervisor already in place to manage operations. The owner has already stepped back but can assist with transition.

Strong Reputation & Loyal Client Base

Known for high-quality builds and functional outdoor transformations, the business has earned a trusted reputation for delivering premium landscaping projects, from decks and patios to retaining walls. With ongoing referrals and repeat customers, you'll step into a quality client base.

Immediate Income Forward Pipeline Booked

Work is already scheduled, giving the new owner instant cash flow. With demand for landscaping services booming across the region, the potential for growth and expansion is wide open.

Low-Cost Entry with Flexible Terms

- * Vendor finance available to the right buyer
- * Affordable pathway for new operators or recent licence holders
- * Perfect opportunity for someone new to the region
- * A chance to pay the business off over time while building your profile
