Outstanding Online Products and Services Opportunity NDIS & Therapy Sector

BCI Business Brokers is pleased to present a unique opportunity to acquire a long-established online retailer specialising in specialised health, learning, and wellbeing resources designed to support individuals with neurodiversity, caregivers, and allied health professionals.

Operating for more than 15 years, this business has built a trusted national reputation as a registered NDIS provider, supplying an extensive range of high-quality tools and resources that assist with therapeutic and developmental support products. Its customer base includes schools, therapists, clinics, and families across Australia, ensuring a broad and loyal following with repeat purchase patterns.

The business is offered on an asset and goodwill basis, with strong systems in place for seamless order processing, inventory management, and customer engagement. It is currently run online with streamlined operations, supported by experienced staff.

With the disability support sector continuing to expand under the growth of the NDIS, this business is well-positioned for future growth and diversification. An excellent investment for existing operators or new entrants seeking a foothold in this dynamic and rewarding market.
