### Profitable Accredited Electrical Contractor National Footprint & FY25 Profit \$900K+

A highly profitable, accredited electrical and communications contracting business is now available for acquisition, featuring an enviable blue-chip client portfolio, robust systems, and a proven track record in mission-critical infrastructure. This is a rare platform opportunity for qualified buyers seeking expansion, accreditations, and growth potential in Australia's dynamic electrical contracting sector.

#### Key Highlights

##### Mission-Critical Project Expertise:

Specialist team routinely delivers high-reliability contracting services across telecommunications, broadcast, and complex commercial environments, with major accreditations and multi-state licenses in place.

##### Strong FY2025 Financial Performance:

Approximate EBITDA of \$900k, with FY2025 revenue over \$7 million.

##### Accredited Systems & Compliance:

Established frameworks for WHS, QA, and environmental compliance provide third-party assurance and mitigate operational risk.

##### Proven Earnings Visibility:

Consistent profitability, substantial forward work-in-progress balances (~\$8.15 million), and debtor balances support sustained future earnings.

##### Skilled Workforce & Stable Management:

Experienced, long-tenured technical staff and management team committed to quality and reliability; exceptionally low turnover.

##### Asset-Rich Operations:

Business Brokers Network  
Australia  
Broker Ref: 24697

All vehicles, plant, and tools in place and well-maintained; operations are readily scalable for growth.

#### Barriers to Entry:

Significant market entry barriers due to multi-state licensing, accredited systems, and long-standing industry relationships.

#### Growth Opportunities:

Expansion potential with growing demand in telecom, broadcast, and energy-efficient solutions; capacity and reputation primed for larger projects and new markets.

Seize this opportunity to acquire a market-leading, accredited electrical contracting business with substantial earnings, immediate Tier 1 access, and proven systems.
