### Aquarium Business for Sale | Brisbane Northside

This well-established aquarium has been proudly servicing the needs of fish lovers for more than 25 years. With an extensive product range including freshwater and marine fish, plants, corals, tanks, and all related equipment, the business is a one-stop shop for hobbyists and professionals alike.

#### Key Business Highlights:

- Loyal customer base of hobbyists, breeders, aquascapers, and fish enthusiasts
- Fully operational and ready to go
- Strong supplier relationships in place
- Servicing Brisbane's Northside for over 25 years
- 2024-25 sales exceeding \$900,000
- Sale price is WIWO, including all stock

This is an ideal opportunity for an existing business in the pet or aquatic sector looking to expand product lines and market reach.

Aquarium businesses of this calibre rarely come to market. Whether you're an established industry player seeking strategic expansion, or an owner-operator wanting to step into their own business, this is one worth considering.

The current owners are committed to providing support during the handover period, ensuring a smooth transition for the new owner.

Sale Price: \$220,000 WIWO
