Garage Door Installation Business in Warwick, High Income, Region Wide Reputation

Set in the heart of the Granite Belt and Southern Downs region, this owner operated garage door installation business offers an exceptional opportunity to acquire a profitable, well respected service enterprise. With strong rapport across councils, real estate agents, and the farming community, the business benefits from longstanding local trust, steady referral streams, and coverage extending down to Tenterfield.

This business presents clear advantages for a working owner, with projected owner income of approximately \$121,000 per annum on a 2025 turnover of \$395,000. No formal trade qualification is required to operate, yet mechanical aptitude and familiarity with tools will accelerate transition and growth. The current owner manages operations with a casual worker and an independent contractor for larger installations, ensuring flexibility and capacity during busy periods. Solid three year financials are available for due diligence, and the option exists to purchase the vehicle and trailer to ensure an immediate, hands on start.
