Highly Established Electrical Contracting Business Over 30 Years of Success

An exceptional opportunity exists to acquire a long-established electrical contracting business with more than three decades of proven performance across South East Queensland.

The company provides comprehensive electrical solutions across commercial, residential, and industrial sectors, delivering design-and-construct projects and large-scale installations for a diverse client base. With secured contracts exceeding \$15 million and strong forward demand, the business is exceptionally well positioned for ongoing growth.

A highly experienced management team and a skilled, long-serving workforce are already in place, ensuring seamless operations and continuity under new ownership. Supported by efficient systems and a strong industry reputation, the business operates with well-defined procedures and consistent profitability.

With Queensland's infrastructure and construction activity accelerating in the lead-up to the 2032 Brisbane Olympic Games, this represents a rare opportunity to acquire a profitable, reputable, and fully systemised business with significant growth potential.
