Leading Solar Group - NSW

\$60M+ Revenue, \$10M+ EBITDA and Sydney Growth Corridor.

An outstanding opportunity to acquire a group of high-performing solar and renewable energy companies generating over \$120 million in revenue and \$10 million+ EBITDA.

Operating across the fastest-growing region of Sydney and Greater Western Sydney, this group delivers large-scale residential and commercial solar projects, EV charging infrastructure, and advanced energy storage solutions.

A strong management team and operational leadership are in place and committed to staying on to drive the next phase of expansion and a planned future exit. With government-backed energy transition programs and accelerating demand for clean power, this acquisition provides a rare opportunity to secure a market-leading platform for scale and national growth.
