### Electrical Projects Group South East Queensland

\$125M+ Revenue, \$10M+ Profit, 30 Years Established and Olympic Pipeline.

An exceptional opportunity to acquire a group of leading electrical contracting companies in South East Queensland, generating over \$125 million in annual revenue and delivering profits exceeding \$10 million. Offered for sale for the first time in 30 years, the group has built a long-standing reputation for delivering complex commercial, industrial, and infrastructure projects across the region.

With experienced management teams and skilled staff already in place, the business operates efficiently and is well positioned for continued expansion. A strong pipeline of contracted work, including major Olympic-related infrastructure projects, underpins future growth.

This represents a rare opportunity to secure a highly profitable, well-established group at the forefront of Queensland's booming construction and infrastructure market offering immediate scale, stability, and long-term strategic value.
