Thriving Business in Building Services Industry Urgent Sale due to Injury

Owner has surgery planned so needs someone to take over a large portfolio of future work. This well-established and highly profitable business is primed for immediate sale, with all offers being seriously considered due to urgency.

Easy Install process with Minimal Licencing Barriers

Potential to recover investment inside 6 months

Work Pipeline would support employing a FTE Installer

Key Highlights:

1. Consistently Growing Revenue Strong market demand ensures continued financial growth year after year.
2. High Earnings for a Working Owner Exceptional profitability with substantial returns for hands-on management.
3. Scalable Model Already thriving, but with the potential to expand by adding installation teams.
4. Diverse Client Base A balanced mix of private and public sector clients reduces risk and provides steady workflow.
5. Lean Operations Minimal fixed overheads maximize profitability and enhance adaptability in a competitive market.
6. Excellent Reputation Trusted for quality, reliability, and superior customer service, driving repeat business.

With a solid foundation and proven performance, this business is ideal for both experienced industry professionals and ambitious entrepreneurs looking for a high-return investment.

Due to urgent sale conditions, we are looking for buyers who are ready to go! Don't miss out on securing this exceptional opportunity before it's gone. Reach out today to discuss further details.
