Manufacturing Business Supplying Construction Components | Northern GC Profit \$972,145

An extraordinary opportunity to acquire a proven, high-performing manufacturing business strategically positioned on the northern end of the Gold Coast one of Australia's fastest-growing regions for construction and infrastructure.

Forecast FY26 Revenue: \$6,216,400
Forecast FY26 Profit: \$972,145

An extraordinary opportunity to acquire a proven, high-performing manufacturing business strategically positioned on the northern end of the Gold Coast one of Australia's fastest-growing regions for construction and infrastructure.

This business is a key supplier of specialised components to the construction sector, with a strong reputation for quality, reliability, and innovation. The company operates from a well-equipped facility with efficient production systems, refined processes, and exceptional customer relationships built over many years.

At the heart of this operation is an outstanding management team, led by one of the industry's best General Managers, ensuring seamless daily operations and strategic growth capability. The business is structured for scalability and primed for further expansion across Queensland and interstate markets.

Highlights:

- Established, respected brand with long-term clients
- Strong forward orders and repeat business
- Robust financial performance and clear growth trajectory
- Exceptional operational team and leadership
- Located in a high-demand growth corridor
- Potential for strategic acquisition or investor entry

This is a rare opportunity to secure a well-managed, high-margin manufacturing business in a thriving sector with significant upside potential.
