### High-Margin Communications & Technology Business

Long-established communications and technology business specialising in audiovisual, networking, CCTV, and internet services. With over 60 years of combined industry heritage, the company has built an exceptional reputation for reliability, quality workmanship, and technical expertise across residential, commercial, and industrial markets.

Operating from Southeast Queensland, the business delivers complete end-to-end solutions, from design and installation to ongoing service and support - with a loyal repeat client base and a growing subscription revenue stream that ensures consistent cash flow year-round.

#### Highlights

- \* Proven profitability with average SDE of ~\$395,000 over three years
- \* Strong margins (60%+) supported by efficient operations and low overheads
- \* Recurring internet-service income generating ~\$170,000 annually
- \* Diverse client mix across residential, commercial, and industrial sectors
- \* Two equipped service vehicles, extensive plant and equipment included
- \* Experienced staff and subcontractor network supporting scalable operations
- \* Solid project pipeline including CCTV, networking, and digital signage installations

With its trusted brand presence, long-standing client relationships, and growing recurring income, this business offers a rare combination of stability and scalability. The current owner will provide comprehensive handover support, ensuring a smooth transition and continuity of service quality.
