Profitable Fresh Produce Wholesale Business

Key Features and Advantages:

Turnover more than \$4 M annually with a long lease of an excellently fitted out Rocklea premises with options to extend.

Well established team in place, including delivery vehicles and shed staff. Staff are all extremely proficient in their roles and have many decades of combined experience. X full-time and X casual staff.

Loyal regular customers (operating for almost 20 years now) from the Sunshine Coast to the Gold Coast and everywhere in between (currently approximately 100 active customers).

Supplying freshest fruit, vegetables, herbs, eggs and juices available Monday to Friday (including home delivery of produce boxes) with minimum orders and zoned delivery charges.

Fresh Produce is sourced from Rocklea Markets (open Monday to Friday and closed on Public Holidays) and direct from farms. The business has an extensive and reliable supplier network at Rocklea Produce Market.

Existing buyer available to continue on a short-term contract or move on if not required by the purchaser.

The business currently serves hotels, cafes, households and is well placed to serve retail stores.

The business also operates within Aged Care facilities which has seen exponential growth in recent years and with further prospects.

Operating Monday to Friday for compressed hours from 3 am to 11.30 am the business is well placed to take on extra weekend deliveries should the purchaser wish to compete in the weekend delivery restaurant market or keep as is and have the weekend off.
