Auto Electrical Workshop Gold Coast Location Owner Operator Opportunity

A long-established auto electrical workshop on the northern Gold Coast is now available for sale, presenting an ideal opportunity for a skilled tradesperson, family team, seeking a stable and reputable business.

The business has been operating for 30 years and is well-regarded for quality workmanship, reliable service, and a loyal repeat customer base. Situated in a busy automotive precinct just off the M1, the workshop benefits from strong visibility, easy access, and consistent trade from surrounding mechanics and local motorists.

Operating Monday to Friday with no weekend hours, this business offers an excellent worklife balance and solid returns for an owner-operator.

All equipment is owned outright, including a comprehensive range of diagnostic tools, a hoist, air-conditioning service unit, and a fully branded 4x4 Isuzu D-Max utility included in the sale.

Key Highlights:

- * Established 10+ years with strong local reputation
- * Prime Gold Coast location with high traffic exposure
- * Consistent turnover around \$230,000 p.a. with strong margins
- * Owner-operator structure with one full-time tradesperson
- * Modern, fully equipped workshop, no further capital outlay required
- * Secure lease with option to renew
- * Operating Monday to Friday only great lifestyle business
- * 2014 4x4 Isuzu D-Max service Ute included

This is a genuine sale, with the owner planning to return to university. A full handover period and training will be provided to ensure a seamless transition for the buyer.
