BCI Business Brokers is pleased to present this rare opportunity.

With many years of experience servicing local clients, this accounting practice is a well-established leader in the regional community, known for its high-quality services and client-first approach. The practice has an experienced team of accountants and support staff to ensure continuity of services for the client base. Clients consist of Companies, Partnerships, Trusts, and Individuals, with a strong concentration of SMSFs.

Centrally located, the practice enjoys strong visibility within the community. There is also the option for the acquirer to establish a long-term lease, maintaining a prominent presence and accessibility for clients.

After many years of running the practice, the vendor is transitioning into retirement. A suitable handover will be provided to support introductions to clients and ensure a smooth transition.
