Leading Flooring Franchise | Over \$2M Annual Revenue

Looking for a business that genuinely ticks all the boxes? This long established, family-operated franchise is one you won't want to miss.

Boasting a strong local reputation and loyal repeat customer base, this business supplies a full range of flooring, carpets and window furnishings, servicing both residential and commercial clients.

With professional installation services, high-quality products and exceptional customer care, the business continues to perform year after year.

Key Business Highlights

- Consistent & proven revenue performance
- Prime coastal location
- Strong, long-standing brand reputation with excellent customer reviews
- Sale includes branded vehicles, forklift & essential operational equipment
- Training and handover provided for a smooth transition

This is a well-structured and efficiently managed business with streamlined workflow systems in place. It represents an ideal opportunity for an owner-operator, family enterprise or strategic investor looking for a profitable, reputable business within a growing sector.

A rare opportunity to secure an exceptional business that truly ticks all the boxes, perfect for those seeking stability, strong earnings, and a trusted brand.

The current owner will remain available during the transition period to ensure a seamless handover and continued success.

Contact Roland West today to learn more about this exceptional opportunity to own an industry leader and nationally recognised brand.
