White Goods and Appliance Repairs and Air Conditioning Business

This long-established business has its roots going back over 35 years. It specialises in repairing and servicing white goods and other electrical appliances. It also installs and repairs air conditioners.

This business is run from the owner's home and focuses on servicing customers across the Blue Mountains and Penrith areas. Having traded across these areas for many years, It has built up a substantial database of repeat customers. It is also well known in the area as the place to go for white goods repairs. As a result, this business enjoys a strong, ongoing flow of enquiries and jobs.

The business could be an excellent purchase for a buyer with handyman type skills, or a mechanical mindset. If you are technically minded, the vendor is happy to train you. Also, you will also have access to a wide selection of appliance manuals to guide you through repairs.

Profit to an owner operator is circa \$125,000 per year.

This business comes with a substantial package of assets. These include two utility vehicles, tooling and stock.

This quality business is being offered for sale at \$115,000. This represents a very high return on investment.
